

Township Cemetery Ordinance  
Evergreen Township  
Montcalm County, MI

An ordinance to protect the public health, safety and general welfare by establishing regulations relating to the operation, control, maintenance and management of cemeteries owned, controlled or operated by the Township of Evergreen, in Montcalm County, Michigan; to provide penalties for the violation of said ordinance, and to repeal all ordinances or parts of ordinances in conflict therewith.

THE TOWNSHIP OF EVERGREEN ("Township"), COUNTY OF MONTCALM, MICHIGAN ORDAINS:

**Section 1. Title**

This Ordinance shall be known and cited as the "Evergreen Township Cemetery Ordinance."

**Section 2. Purpose and Intent**

The Evergreen Township Board recognizes and concludes that the proper and reasonable maintenance, appearance and use of the cemetery or cemeteries owned or controlled by the Township is an important function of the government of the Township. It is also important that burials, disinterment and other matters associated with a municipal cemetery are handled in a respectful and proper way in order to promote the safety, public health and general welfare of the community. The Township Board finds that the adoption and enforcement of this Ordinance is in the best interests of the property owners and residents of the Township.

**Section 3. Definitions**

- a) A "burial space" or "plot" shall consist of an area in a Township cemetery sufficient to accommodate one burial space for one deceased person. Exceptions may be made with Township permission to accommodate infant burial or the burial of cremains.
- b) "Infant" means someone who is two years or younger at the time of death.
- c) "Township" means Evergreen Township.
- d) "Township cemetery" or "cemetery" means any cemetery owned, operated and/or controlled by the Township.
- e) "Township Clerk" means the elected Township Clerk and/or other designee(s) of the township board.

**Section 4. Sale of Cemetery Burial Spaces; Nontransferable**

- a) After the effective date of this Ordinance, cemetery burial spaces shall be sold by the Township for the purpose of burial for the purchaser of a burial space, or his or her immediate family. No sale shall be made to funeral directors or others. One free plot may be given to an Evergreen Township resident upon his/her death if not previously purchased.
- b) All sales and transfers of burial spaces shall be made on a form approved by the Township Board, which grants a right of burial only and does not convey any other title or right to the burial space sold. Such forms shall be signed by the Township Clerk or designee and shall then constitute a permit.
- c) Burial spaces may be sold by the Township to any resident or taxpayer of the Township. The Township Clerk is hereby granted the authority to vary the aforesaid restriction on sales where the purchaser discloses sufficient personal reason for burial within the Township through previous residence in the Township or relationship to persons interred in the Township cemetery involved. Any such decision by the Township Clerk (either granting or denying such variance) may be overturned by the Township Board pursuant to Section 23 hereof.

- d) At the time of purchase from the Township, each burial space shall be assigned the name of the specific person who shall be interred in that burial space upon death. Each such person must either be a resident or taxpayer of the Township or be a member of the immediate family of a qualified purchaser. If the owner of a burial space desires to effectuate a name change regarding the assigned burial space, that person must request in writing such change to another eligible person and receive approval from the Township Clerk.
- e) Ownership of burial spaces is nontransferable without prior written approval by the Township. Burial spaces may be sold back to the Township at a price set by the Township Board (for resale by the Township).
- f) The Township Board shall have the authority to place a limit on the number of burial spaces sold to a person, as well as such person's family and relatives. Furthermore, the Township shall have the absolute right and discretion to determine whether a burial space or spaces will be sold to a specific person and where such burial space or spaces will be located and within the Township cemetery. Such decision shall be based upon reasonable factors, including, but not limited to, the number of vacant burial spaces available and whether family or relatives of the person seeking to purchase a burial space or spaces are buried adjacent or nearby the burial space or spaces requested.
- g) The Township shall have the right to correct any errors that may be made concerning interments, disinterment, or in the description, transfer or conveyance of any burial space, either by canceling the permit for a particular vacant burial space or spaces and substituting and conveying in lieu thereof another vacant burial space or spaces in a similar location within the cemetery at issue or by refunding the money paid for the burial space to the purchaser or the successor of the purchaser. In the event that an error involves the interment of the remains of any person, the Township shall have the right to remove and transfer the remains so interred to another burial space in a similar location in the same Township cemetery in accordance with law.
- h) The owner of every burial space shall be responsible for notifying the Township whenever that person's mailing address changes.

#### **Section 5. Purchase Price for Burial Spaces**

- a) Each burial space shall cost the sum of \$175.00 for Evergreen Township residents or \$500.00 for non township residents. One free plot may be given to an Evergreen Township resident upon his/her death if not previously purchased. A burial space may also be defined as a plot. Four plots make a lot. The lawful owner of any burial space within the Township shall promptly provide the Township Clerk with any change in that owner's mailing address.
- b) All charges shall be paid to Evergreen Township, PO Box 147, Sheridan, MI 48884. Checks should be made out to Evergreen Township. Cash payments are discouraged, please contact the Township Clerk or Township Treasurer.

#### **Section 6. Grave Opening Charges**

- b) No burial space shall be opened or closed except under the direction and control of the Township Sexton or such other individual as is designated by the Township Board. This subsection 8 shall not apply to any grave opening, disinterment, or similar matter which is done pursuant to a valid court order or under the supervision and direction of local or state health department authorities;

The Township shall make reasonable attempts to contact the owner of the burial space prior to any such work beginning.
- e) The maintenance, repair and upkeep of a cemetery memorial, marker, urn, or similar item is the responsibility of the heirs or family of the person buried at that location. The Township has no responsibility or liability regarding the repair, maintenance, or upkeep regarding any such marker, memorial, urn, or similar item.
